

**The report on compliance /non-compliance with the principles and provisions
of the Corporate Governance Code of “Samruk-Energy” JSC following the results of 2018**

“Samruk-Energy” JSC (hereinafter - the Company) conducts its activities in the field of corporate governance based on the legislation of the Republic of Kazakhstan, the Company's Charter, the Corporate Governance Code (hereinafter - the Code) and other internal documents of the Company.

The Company follows the principles of corporate governance enshrined in the Code, thereby ensuring a high level of corporate governance within the Company and in relations with other stakeholders, increasing the efficiency of the Company's activity and strengthening its reputation.

Based on the conducted self-assessment and analysis of the actual compliance or non-compliance with the principles and provisions of the Code by the Company, this Report on compliance / non-compliance with the principles and provisions of the Code was generated.

The No. of the Code's provision	PRINCIPLES OF “SAMRUK-ENERGY” JSC CORPORATE GOVERNANCE CODE	Compliance /Non-compliance/ Partially compliance	Information on compliance /non-compliance of provisions of the Code
Chapter 1. Government as the Shareholder of the Fund			
2	<p>The Government of the Republic of Kazakhstan is the Sole Shareholder of the Fund.</p> <p>The main strategic objective of the Fund and Organizations is the growth of long-term value and Sustainable development of the Fund and Organizations that is reflected in the Development Strategy of the Fund and the Companies. All decisions and actions must conform to the Development Strategy.</p> <p>The optimal assets structure must be designed in the Fund and Companies. The Fund and the Companies should seek to simplify as much as possible the structure of their assets and their organizational and legal forms.</p> <p>Organizations perform their activities within its core (main) activities. Implementation of new activities is permitted if there is no competition</p>	Partially complied	<p>The Board of Directors approved “Samruk-Energy” JSC Development Strategy until 2028 on August 28, 2018. Strategic objectives of which are: to ensure reliable competitive energy supplies in the markets where the Company operates, shareholder value maximization and sustainable development. All decisions and actions taken are consistent with the Strategy. In order to monitor the implementation of the Strategy, the Board of Directors and the Management Board of the Company hold strategic sessions (during the review of reports on the implementation of the Strategy), during which the main activities, tasks, issues, risks, corrective actions are discussed. The Company's investment activity is performed as part of implementation of the Strategy.</p> <p>The group of companies of the Company includes subsidiaries and affiliates of various organizational and legal forms: joint-stock companies and limited partnerships. The Code recommends that “The Fund and companies should create an appropriate asset structure. The Fund and companies should seek to simplify the structure of their assets and their organizational and legal forms to the fullest extent ”</p> <p>At the moment, the Company sells 3 assets in accordance with the Resolution of the Republic of Kazakhstan Government dated December 30, 2015 No. 1141 “On some</p>

	<p>in this market or participation of the Fund and Organizations will contribute to the development of small and medium-sized businesses.</p> <p>It is recommended to have and keep the controlling share (interest) in the Organizations of the Fund.</p>		<p>matters of privatization for 2016-2020": "Tegis-Munay" LLP, which includes "Mangyshlak-Munay" LLP, and 26% of equity stake in "Energiya Semirechya" LLP. Activities on holding the tender for sale of "Tegis-Munay" LLP, which includes "Mangyshlak-Munay" LLP were carried out repeatedly in 2018. The tender failed due to the absence of bids. As regards the sale of "Energiya Semirechya" LLP, the agreement on sale and purchase of 26% equity stake was concluded. Re-registration procedures in justice agencies are nearing completion.</p> <p>"Ust-Kamenogorsk HPP" JSC, "Shulbinsk HPP" JSC and "Bukhtarminskaya HPP" JSC are not engaged in production activities; "Moynak HPP" JSC and "Shardarinskaya HPP" JSC have long-term loan agreements, which were executed as part of implementation investment projects, changing of a legal form to limited liability partnerships (hereinafter - LLP) will lead to the risk of early repayment requirements, possible loss of first-class state guarantees that may result in rise in borrowing costs, tightening of current covenant package and other terms of a loan and the emergence of additional costs for engaging consultants in connection with the reapproval of current credit and pledge documentation. In this regard, it would make sense to negotiate changing of these companies' legal forms to LLP with lenders after optimization of the debt portfolio or after full repayment of existing loans. Lee S.</p>
5	<p>The Government provides to the Fund and Organizations the full operating self-sufficiency and does not allow interference by the Government and government agencies the in the operational (current) activities of the Fund and Organizations, except for cases provided by laws, acts and orders of President of the Republic of Kazakhstan.</p> <p>The Fund's Management Board and Chief Executive officer (CEO) of the Fund, authorities of the Organizations are fully autonomous and independent at decision-making and implementation of any action within their competence</p>	Complied	<p>In 2018 and until the approval of the Report there were no facts of direct intervention in Company's operations from the Government and public authorities. The Board of Directors and the Management Board made all decisions on strategic and operating activities-related matters independently, considering at the same time the state program and regulatory documents.</p>
8	<p>Investment activity of the Fund or Organization is constructed on market principles, in accordance with the Development strategy of the Fund or Organization and oriented to growth of the value and optimal assets structure. Distribution of net income to the Government as the Sole Shareholder has made in the form of dividends on the basis of a formalized and transparent dividend policy.</p> <p>Facts of implementation of low-profit and socially significant projects by the Fund or Organization should be disclosed in the annual report of the Fund or Organization by identifying the sources of funding for such projects.</p>	Complied	<p>"Samruk-Energy" JSC Development Strategy approved by the Board of Directors, contains a portfolio of investment projects, which are implemented in order to accomplish the Company's mission in the economy of the State. The information on the Company's investment activities is detailed in the Annual Reports.</p>

<p>14</p>	<p>The Fund and Organizations are committed to the maintenance of highest ethical standards and to the implementation of appropriate procedures to ensure the continued application of these standards by all employees and partners of the Funds and Organizations.</p> <p>Notifications on possible infringement should be sent directly to the IAS or the Board of Directors of the Fund or Organization. Executive body and all of its structural units of the Fund and the Organization, including security, should not prevent the transmission of notifications of alleged violations to the IAS and the Board of Directors</p>	<p>Complied</p>	<p>On 29.06.2018, the Company’s Board of Directors made a decision on approval of the Code of Conduct as a single corporate standard for the Company’s group, which establishes the values, principles of ethical norms and standards of behavior of all stakeholders that govern the main areas of relationships.</p> <p>All members of Samruk-Energy team (officials and employees) adhere to high ethical standards, are familiar with the provisions and comply with the requirements of the Code of Conduct. In order to implement the Initiative Information sharing Policy, the Board of Directors ensured the availability of a mechanism for collecting and confidential consideration of information about violation of the Company's policies by organizing a “hot line” under the Audit Committee.</p> <p>Grievance mechanism was created with the involvement of an independent organization, Deloitte, which collects, processes, and sends incoming messages to Samruk-Energy’s Compliance Service.</p> <p>Any person can call the “hot line”, send an email (there is a special section of the corporate website), notify the Audit Committee of the alleged breach of law etc. via the Compliance Service by using the contact details posted on the Company’s web site. Confidentiality of a person who lodged a complaint is guaranteed and maintained. Stands with the necessary information about operation of “hot line” are available in each subsidiary of the Company in three languages (Kazakh, Russian and English). Moreover, the institute of Ombudsman was established at the Company’s group of companies, which employees can freely access regarding any issues on violations of the Code of Conduct, The Board of Directors regularly receives reports on incoming messages (complaints), actions taken, etc.</p>
<p>15</p>	<p>The Ombudsman is appointed in order to comply with the principles of business ethics and optimal regulation of social and labor disputes arising in the Fund and Organizations.</p> <p>A candidate for the position of Ombudsman should have an impeccable reputation, high authority and have the ability in making impartial decisions.</p> <p>The Ombudsman is appointed by the Board of Directors of the Fund and shall be reelected every two years. The role of the Ombudsman is to advise employees who referred to him, participants of labor disputes and conflict. The Ombudsman assists them in developing a mutually constructive and workable solution based on compliance with the laws of the Republic of Kazakhstan (including confidentiality if necessary), in solving the problem of social and labor questions of workers and the Fund and Organizations, as well as in complying with the principles of business ethics by employees of the Fund and Organizations.</p>	<p>Partially complied</p>	<p>In order to comply with the principles of business ethics and an appropriate settlement of social and labor disputes arising at the Company, on June 16, 2017, the Company's Board of Directors (Minutes No. 07/17) elected and appointed Bekbas O.T. - Chairman of “Samruk-Energy Local Trade Union ”, which has an spotless business reputation, high authority and has the ability to make unbiased decisions.</p> <p>On November 20, 2015, the Company’s Board of Directors (Minutes No. 07/15) approved the Regulation on the Company's Ombudsman (hereinafter - the Regulation). The Regulations clearly sets out the tasks, roles and responsibilities, rights and obligations of the Ombudsman.</p> <p>The Ombudsman sends a report on the work performed to the members of the Board of Directors every quarter. The Company's Annual Report includes the report of the Ombudsman.</p> <p>The Ombudsman does not submit the report to the ARC and the AC, he submits the report on the work performed only to the Board of Directors members.</p>

	<p>The Ombudsman shall submit to the relevant authorities and an official of the Fund and/or the organizations identified problematic issues which are systemic in nature and require appropriate solutions (integrated measures), puts forward constructive suggestions for their solution.</p> <p>The Ombudsman at least once a year submits a report on the results of the work to the Appointment and Remuneration Committee and the Audit Committee of the Board of Directors of the Fund, which evaluate his/her performance results.</p> <p>The Board of Directors of the Fund assesses the performance of the Ombudsman and makes a decision on the extension or termination of office of the incumbent Ombudsman.</p> <p>Place of work, working conditions of the Ombudsman are determined by the decision of the Fund's Management Board.</p>		
Chapter 2. Interaction of the Fund and organizations. The Fund's role as a national managing holding company			
1	<p>The role of the Fund as a National Holding Company. The corporate governance system in the Fund and Organizations provides due governance and control over the operations of the Fund and Organizations and ensure growth of the long-term value and Sustainable development. The Fund as a national managing holding plays the role of a strategic holding in respect to its Companies. The efficiency, operability and transparency should be the basis for the corporate governance.</p>	Complied	<p>The shareholder sends letters of expectation to the Chairman of the Board of Directors of JSC Samruk-Energy, which are communicated to the Board of Directors. In accordance with the Company's Charter, the Board of Directors determines the directions of the Company's activities, approves the Development Strategy and the medium-term development plan for 5 years, including the plan for meeting expectations of a shareholder. The Management Board ensures the implementation of the Strategy, development plans and achievement of the approved strategic KPI, regularly submits reports to the Board of Directors.</p>
2	<p>Corporate governance system is a set of processes, which provides control and monitor the activities of the Fund and Organizations as well as the system of relationship between the Executive Body, Board of Directors, shareholders and stakeholders. Competence of authorities and decision-making procedures should be clearly defined and enshrined in the charter.</p>	Complied	<p>The Company's corporate governance system provides:</p> <ol style="list-style-type: none"> 1) compliance with the hierarchy of the order of consideration of items and decision-making: all issues submitted for consideration by the Board of Directors are carefully considered by the relevant specialized Committees of the Board of Directors; 2) a clear delineation of powers and responsibilities between the Board of Directors, the Management Board, officers and employees: the competence, authority and responsibility of the bodies are determined by the Charter, the Regulations on the Board of Directors and the Management Board; the areas of responsibility of members of "Samruk-Energy" JSC Management Board are clearly delineated by the order of the Chairman of the Board "On the distribution of duties and authorities"; The structural units of the Company perform their jobs on the basis of the Regulations on structural units; job descriptions were developed for each position. 3) The Board of Directors and the Management Board make decisions in a timely and quality manner;

			4) Compliance with the legislation and internal documents of the Board of Directors and the Management Board.
3	<p>The Fund is involved in the management of companies through performance of roles and responsibilities of the shareholder, as well as through the Board of Directors, in the manner established by the charters of the companies and this Code.</p> <p>The Fund annually sends expectations of the shareholder for the upcoming fiscal year to the Chairman of the Board of Directors and representatives of the Fund on the Board of Directors of the Company.</p> <p>Boards of Directors of companies have complete autonomy in making decisions within their competence, established by the charter of the Company.</p> <p>The position of the Fund on specific matters is communicated through the Fund's representatives on the Board of Directors of the Company.</p>	Complied	<p>"Samruk-Kazyna" JSC, being the sole shareholder of the Company, is involved in management of the Company by sending letters of expectations to a shareholder, through participation of its representatives in the Board of Directors.</p> <p>The Board of Directors consists of two representatives of the shareholder, the presence of four independent directors ensures the adoption of informed independent decisions</p>
4	<p>The Fund, taking into account the discussions held with companies, forms common policies for companies, approves guidelines and corporate standards for organizations.</p> <p>The decision to apply corporate standards approved by the Fund in the field of internal audit and the internal control system in an organization is taken by the organization's Board of Directors, taking into account the compliance of these standards with the organization's specific nature.</p>	Complied	<p>The Board of Directors approves documents based on the Fund's corporate standards in the field of internal audit and internal control: Regulations on the internal control system, the Internal Control Procedure Regulations, the Policy on the organization of internal audit. Other internal documents of the Company are also developed in accordance with the methodological recommendations and corporate standards of the Fund.</p>
6	<p>Distribution of net income to the Government as the Sole Shareholder is in the form of dividends on the basis of a formalized and transparent dividend policy.</p>	Complied	<p>The Company is guided by dividend policy of "Samruk-Kazyna" JSC in relation to its affiliated organizations - the document in which the most transparent procedures of setting and payment of dividends are formalized. Other redistributions, except as dividends to shareholders, aren't provided.</p>
7	<p>Organizations are managed by bodies/agencies of the Organizations in accordance with the competences and procedures specified by the charter of Organizations. This principle also applies to Organizations with several shareholders (participants).</p>	Complied	<p>Company's bodies are the following:</p> <ol style="list-style-type: none"> 1) the supreme body - the Sole Shareholder; 2) the management body – the Board of Directors; 3) the collegial executive body - the Management Board, headed by the Chairman of the Management Board <p>Competences of each Body and Chairmen of the BoD and the Board are defined by the Charter of "Samruk-Energy" JSC, and also the relevant provisions. There is no duplication of functions of Company's bodies.</p>
8	<p>The Fund, Organizations and their officials shall be responsible for the growth of long-term value and the Sustainable development of the Fund and the organizations, and respectively for the decisions and actions/inactions taken in the order established by the laws of the Republic of Kazakhstan and internal documents.</p>	Complied	<p>The Company's development strategy sets strategic goals, including "Ensuring the social responsibility of business, sustainable development" and "maximizing shareholder value ", as well as indicators of their achievement. To implement the Strategy, a medium-term Development Plan was developed, which ensures the effective implementation of the Strategy. Performance of the Management Board members is evaluated using motivational KPI, responsibility for implementation of</p>

	<p>The key element of performance evaluation of the Fund, the Organizations and Executive Body is the KPI system. The Fund, through its representatives on the Board of Directors/Supervisory Board submits to the Companies its expectations, in terms of KPI. The list and targets KPI's of the Company are approved by the Board of Directors/Supervisory Board of the Company. In order to achieve the KPI, the Companies shall develop an appropriate Development Plans that should be approved by the decision of the Board of Directors/Supervisory Board.</p> <p>The achievement of KPIs of the Fund and Organizations is assessed annually by comparison with approved Development plan. This assessment has the impact on the payment system of the year-end remuneration to the CEO and members of Executive Body, taken into account in their re-election and may be the basis for their early removal.</p>		<p>which is recorded in the decision of the Board of Directors for a specific position of an executive officer, contributes to the achievement of the Company's performance targets characterizing the efficiency of its financial and business operations and degree of achievement of strategic goals. The values of the indicators affect the remuneration of the members of the Management Board and are taken into account when they are reelected, and may serve as reason for their early removal from office.</p>
9	<p>The Board of Directors of a holding company must ensure the effectiveness of governance, the growth of long-term value and Sustainable development in all legal entities within its group. Results of effective management in the group of Holding Company must be an increase of operational efficiency, improvement of reporting, improved standards of corporate culture and ethics, greater openness and transparency, risk reduction, proper system of internal control.</p>	Complied	<p>In accordance with the Charter, "Samruk-Energy" JSC Board of Directors approved the unified "Samruk-Energy" Group of Companies Development Strategy, approved the Sustainable Development Guidelines of "Samruk-Energy" JSC, makes decisions on business matters, approves documents governing the management of subsidiaries, develops policies on the appointment of officers at SA. The Company approved Subsidiaries and dependent companies relations regulation, which governs the interaction of the head office and the work of the BOD/SB of SA. The charters of SA delineate the powers and competencies of SA bodies. The Company determines uniform policies in the main areas of activity for the entire Group, while subsidiaries, being independent organizations, can develop their internal regulations for the purposes of additions / detailing (in the area of planning, risk management, etc.).</p>
Section 3. Sustainable development			
1	<p>The Fund and the Organizations recognize the importance of their impact on the economy, environment and society and seeking to growth of the long-term value should ensure their sustainable development in the long run observing a balance of the interests of stakeholders. This principle of responsible, thoughtful and rational interaction with stakeholders will contribute to the successful development of the Fund and Organizations.</p>	Complied	<p>The development strategy sets strategic goals, including "Sustainable Development", as part of which the Company will ensure the implementation of activities, which aim to comply operations with the principles of sustainable development, the conformity of its economic, environmental and social goals to sustainable development and creation of economic value in the long term. The action plan for implementation of the Strategy provides for activities aimed at achieving these significant goals and objectives, as well as the planned values for KPIs set and activities for interacting with stakeholders. The Company annually approves the Register and the Risk Map, which provides for preventive measures to avoid the occurrence of risks in three aspects of sustainable development. The Board of Directors approved the Sustainable Development Guidelines of "Samruk-Energy" JSC, according to which the Board of Directors establishes, reviews and approves the general principles of the group of companies in sustainable development, ensures the creation of an appropriate system in the field of Sustainable Development and its implementation.</p>
2	<p>The Fund and Organizations should aim at the growth of the long-term value while ensuring their Sustainable Development and observe a balance of the Stakeholders' interests. The activities in the field of Sustainable Development should correspond to the best international practice.</p>	Complied	
3	<p>The Fund and Organizations should ensure the consistency of their economic, environmental and social goals for Sustainable Development</p>	Complied	

	<p>in the long term which includes, inter alia, the growth of long-term value for shareholders and investors. Sustainable development of the Fund and Organizations covers the following three fields: economic, environmental and social.</p> <p>The economic component should direct the activities of the Fund and the Organization for the growth of long-term value, ensuring the interests of shareholders and investors, increase in efficiency, increase in investment in the development of more advanced technologies, increasing productivity.</p> <p>The environmental component should ensure minimization of impact on biological and physical natural systems, the optimal use of scarce resources, the use of ecofriendly, energy and material-saving technologies, creation of environmentally friendly products, minimization, recycling and disposal of waste.</p> <p>The social component of Sustainable development is focused on the principles of social responsibility, which among other things include: ensuring the safety and preservation of the health of employees, fair remuneration and respect of the employees' rights, staff development, the implementation of social programs for staff, creating new jobs, sponsorship and charity, ecological and educational actions.</p> <p>The Fund and Organizations should conduct a review of its activities and the risks for these three aspects and strive to avoid or reduce the negative impact of its performance on the Stakeholders.</p>		<p>The Management Board ensures the implementation of goals, objectives and achievement of indicators in the field of sustainable development identified by the Board of Directors. All employees and officials at all levels contribute to Sustainable Development. The Management Board ensures a thorough, in-depth and well-thought-out analysis of the internal and external situation for the three components: economic, environmental and social, on the basis of which ensures the development of appropriate plans and programs for implementation of goals, objectives and achievement of indicators set by the Board of Directors.</p>
4	<p>Sustainable development principles are openness, accountability, transparency, ethics, respect of Stakeholders' interest, justice, observance of human rights, intolerance to corruption, the inadmissibility of conflict of interests, personal example.</p>	<p>Complied</p>	<p>In accordance with Sustainable Development Guidelines of "Samruk-Energy" JSC, the principles of sustainable development are: respect for the interests of stakeholders, respect for human rights, openness, accountability, transparency, legality, ethical behavior, personal example, intolerance to corruption, intolerance of conflict interests, prevention of sexual harassment, etc.</p>
5	<p>The Fund and Organizations should design the management system in the field of Sustainable development, which includes but is not limited to, the following elements:</p> <ol style="list-style-type: none"> 1) commitment to the principles of Sustainable development at the level of the Board of Directors, the Executive Body and employees; 2) analysis of the internal and external situation on three components (economic, environmental and social issues); 3) identification of risks in the field of sustainable development in social, economic and environmental spheres; 4) construction of maps of stakeholders; 	<p>Complied</p>	<p>The Board of Directors approved the Sustainable Development Guidelines containing the following elements:</p> <ol style="list-style-type: none"> 1) Sustainable Development Policy; 2) Principles for sustainable development; 3) Risks in the field of sustainable development, in social, economic and environmental areas; 4) Plan of initiatives in the field of sustainable development with specification of activities / KPI, terms and responsible units; 5) Key indicators in the field of sustainable development; 6) Integrating sustainable development into key processes, including risk management, planning, human resource management, investment, reporting, operations, and others, as well as into development strategy and decision-making processes;

	<p>5) defining the objectives and KPI in the field of Sustainable development, the development of an action plan and identification of responsible persons;</p> <p>6) the integration of Sustainable development into key processes, including risk management, planning, human resources management, investment, accounting, operations, and others, as well as development strategy and decision-making processes;</p> <p>7) enhancement of officials and employees' proficiency in the field of Sustainable development;</p> <p>8) regular monitoring and evaluation of activities in the field of Sustainable development, assessment of the achievement of objectives and KPI, the adoption of corrective measures, the introduction of a culture of continuous improvement.</p> <p>The Board of Directors and the Executive Body of the Fund and Organizations should ensure the formation of a proper system in the field of Sustainable development and its implementation.</p> <p>All employees and officials at all levels contribute to Sustainable development.</p> <p>Holding companies are responsible for implementing the principles of Sustainable development in the whole group.</p>		<p>Execution, monitoring and performance report of the Sustainable Development Initiatives Plan;</p> <p>7) Corporate communications policy;</p> <p>8) Map of stakeholders;</p> <p>9) The matrix of materiality;</p> <p>10) A stakeholder engagement plan;</p> <p>11) The mechanism for the submission and consideration of complaints and proposals;</p> <p>12) In 2017, executives and employees of "Samruk-Energy" JSC completed training in the field of sustainable development. This year, training was conducted for employees of the Company's subsidiaries (AIES, AZhK, AES JSC).</p> <p>The scope of the Guidelines applies to the Company and its subsidiaries and affiliates, 100% of the voting shares (equity stake) of which is held by the Company on the right of ownership or trust management, and is also recommended for the management of subsidiaries and affiliates, less than 100% of voting shares (equity stake) of which is held by the Company on the right of ownership or trust management, contractors, investors, partners of the Company and other stakeholders.</p>
6	<p>Companies annually publish report on Sustainable development in order to provide the clarity and transparency of their operations for stakeholders with a view to ensuring the protection of information that constitutes a business, commercial or any other legally protected secrets. The report on Sustainable development is approved by the Board of Directors.</p>	<p>Complied</p>	<p>To ensure transparency of its activities in the field of sustainable development for stakeholders, "Samruk-Energy" JSC annually develops and publishes an integrated annual report (hereinafter - the Report). Information constituting official, commercial and other secrets protected by law are protected during the preparation of the Report. The report is a consolidated information on the Company's operating results for the year, as well as information on sustainable development. In preparing the report, the Company is guided by generally accepted international standards: the International Standard for Integrated Reporting (IIRC), the Sustainability Reporting Standards of the Global Reporting Initiative (GRI); Standards of series AA1000. The report is approved by the Board of Directors and communicated to stakeholders by posting on the corporate website and providing in hard copy and electronic media.</p>
7	<p>The company should strive to encourage and facilitate the application of Sustainable development principles by business partners.</p>	<p>Complied</p>	<p>Requirements for compliance with the Republic of Kazakhstan legislation, including in the field of occupational safety and health, human rights, and environmental protection are included in standard agreements with suppliers of goods, works and services. Moreover, requirements to comply with the Company's internal rules on OHS, fire safety and environmental protection when working and entering the territory of the Company's companies were also included.</p>

Section 4. Shareholder rights and fair treatment of all shareholders (participants)

1	<p>Observance of the rights of Shareholders (Participants) is a fundamental condition for attracting investment to the Fund and Organizations. The Organization should ensure the rights of Shareholders (Participants). In the presence of several Shareholders (Participants) in the Organization all shareholders must be treated equally.</p>	Complied	<p>A shareholder may receive information about the Company, which is necessary for making an appropriate decision, taking into account the requirements of confidentiality and disclosure of information of a company. The Company's IRD (Regulation on the Fund's SA relations, Information Security Policy, Information Policy) of the Company sets out the procedure for providing information as well as on direct requests from the Fund's business units.</p> <p>According to the Company's Charter, the Sole Shareholder of the Company shall have the right to:</p> <ol style="list-style-type: none"> 1) participate in the management of the Company in the manner prescribed by the legislation of the Republic of Kazakhstan and this Charter; 2) receive dividends; 3) receive information on the Company's activities, including to familiarize with the Company's financial statements, in the manner determined by the Sole Shareholder and / or this Charter; 4) receive extracts from the registrar of the Company or a nominal holder confirming his ownership of securities; 5) elect members of the Board of Directors of the Company; 6) challenge decisions taken by the Company's bodies in court; 7) receive information on the Company's activities in the context of affiliated organizations, including those that are confidential, within the deadlines set in the request or no later than thirty calendar days from the date of receipt of a request; 8) for part of the property upon liquidation of the Company; 9) preferential shares purchase or other securities of the Company convertible into its shares, in the manner established by the legislation of the Republic of Kazakhstan; 10) propose to the Board of Directors the inclusion of additional items for submission to the Sole Shareholder in accordance with the legislation of the Republic of Kazakhstan; 11) require the convocation of a meeting of the Board of Directors; 12) require an audit organization to conduct an audit of the Company at its own expense; 13) address the Company with written inquiries regarding its activities and receive motivated answers within the time limits established by the request or no later than thirty calendar days from the date of receipt of a request; 14) in accordance with the procedure established by the legislation of the Republic of Kazakhstan, receive compensation for violation of their rights; 15) to discuss the issues of compliance with the fundamental rights of the Sole Shareholder and corporate governance policies with the Company representatives. 16) apply to judicial authorities on its behalf in cases stipulated by the legislation of the Republic of Kazakhstan with a request to reimburse losses to the Company by the
2	<p>Rights, responsibilities and competence of the Shareholders (Participants) are determined by the law and the constituent documents and are written in them. Shareholder (Participants) rights include, but are not limited to:</p> <ul style="list-style-type: none"> - getting information sufficient for decision-making in the order established by the laws of the Republic of Kazakhstan, charter and internal documents of the Organization in the field of information disclosure; - participation at the Annual General Meeting of Shareholders (participants) and voting on matters within competence; - participation in determination of the composition and terms of office of the Board of Directors (Supervisory Board and Executive Body), the election of its members and early dissolution, as well as determining the amount and terms of remuneration; - receiving dividends in the amounts and dates to be determined by the Annual General Meeting of Shareholders (Participants) on the basis of the clear and transparent dividend policy. 	Complied	<p>16) apply to judicial authorities on its behalf in cases stipulated by the legislation of the Republic of Kazakhstan with a request to reimburse losses to the Company by the</p>

			Company's officials, and return the profit (income) they received as a result of making decisions on conclusion (proposal about conclusion) of large deals and (or) interested-party transactions, to the Company by the Company's officials and (or) their affiliates.
Section 5. Effectiveness of the Board of Directors and Executive Body			
1	<p>The Board of Directors is the governing body accountable to the annual general meetings of shareholders, which provides strategic managing of the Organization and supervision of the Executive Body. The Board of Directors ensures implementation of all provisions of this Code.</p> <p>Executive body accountable to the Board of Directors, it manages the daily operations of the Organization and ensure its compliance with the strategy, development plans and decisions approved by the Annual General Meeting of Shareholders and the Board of Directors.</p> <p>The Board of Directors and the Executive Body shall interact in a spirit of collaboration, act in the interests of the Organization, and make decisions based on the principles of sustainable development and equitable treatment of all shareholders.</p> <p>The Board of Directors and the Executive Body shall ensure the growth of long-term value and sustainable development of the Company.</p>	Complied	<p>According to the Charter and the Provision on the Board of Directors, the BoD is governing body, performing the general management of Company's activity , accountable to the Sole shareholder. The Board is accountable to the Board of directors, performs management of daily activity and provides realization of strategy, the development plan and the decisions made by the Sole shareholder and the Board of directors. The Board of directors and Board interact in a cooperative way, act for the benefit of the organization and make decisions on the basis of the principles of sustainable development and the fair attitude towards shareholder.</p>
2	<p>The Board of Directors shall have an authority which is sufficient for governance of the Organization and controlling the activities of the Executive Body. The Board of Directors carries out its functions under the charter and pays special attention to the following issues:</p> <ol style="list-style-type: none"> 1) definition of the development strategies (directions and results); 2) setting and monitoring of KPIs (key performance indicators) of Development plan; 3) organization and supervision of the effective functioning of the system of risk management and internal control; 4) approval and monitoring the effective implementation of major investment projects and other key strategic projects within the competencies of the Board of Directors; 5) election, remuneration, succession planning and control over supervision of the activities of CEO and members of the Executive Body; 6) Corporate governance and ethics; 7) compliance with the provisions of this Code in the Organization and corporate standards of the Fund in the field of business ethics (Business Ethics Code). 		<p>early termination of powers of the Chairman of the Management Board in accordance with subparagraph 23) of paragraph 1 Article 9 of the Charter;</p> <p>12) setting a wage and determination of terms of labor remuneration of the Company's Board of Directors Chairman and members</p> <p>19) evaluation of the Company's Corporate Governance performance, approval of amendments in the system of the Company's Corporate Governance regarding the matters which are within the competence of the Company's Board of Directors or preparation of suggestions to the Company's Sole Shareholder on issues related to the Company's corporate governance, which are within the competence of the Sole Shareholder.</p> <p>23) approval of the Company's Code of Business Conduct as well as providing of following of its regulations;</p> <p>24) approval of the Company's Risk Management policy;</p> <p>26) approval of the Company's External Audit policy;</p> <p>27) approval of documents regarding sustainable development, report and action plan in the field of sustainable development;</p> <p>28) approval of the Company's Environmental, OHS policy;</p> <p>34) approval of the provision on the Management Board of the Company;</p> <p>36) approval of the Company's general risk-appetite, tolerance levels in respect of every Company's key risk and setting of limits for reducing risks assumed and approval of key risk indicators;</p> <p>37) approval of the Company's risk register and map;</p> <p>38) increase in the Company's liabilities by the amount making ten or more percent of its equity capital;</p> <p>39) approval of the procedure and forms of presentation of management reports on implementation of the Company's development strategy and plan, achievement of the Company's key performance indicators and its target values, on the Company's key risks and their management effectiveness to the Company's Board of Directors;</p> <p>46) approval of significant terms of contracts concluded between the Company and members of the Company's Management Board and other employees in accordance with the list approved by the Company's Board of Directors;</p> <p>47) approval of performance appraisal indicators of the Company's Management Board members and other employees in accordance with the list approved by the Company's Board of Directors;</p> <p>48) performance appraisal of members of the Company's Management Board and other employees in accordance with the list approved by the Company's Board of Directors;</p>
--	--	---

			<p>49) approval of Succession Planning Program of members of the Company's Management Board and other employees in accordance with the list approved by the Company's Board of Directors;</p> <p>51) decision-making on the purchase (alienation) by the Company of ten and more percent of shares (participation shares in the authorized capital) of other legal entities;</p> <p>52) decision-making on the Company's participation in establishment of other organizations;</p> <p>54-9) company's participation in establishment or activity of other legal entities or cessation of membership (ownership) other legal entities through granting (receiving) part or several parts of assets amounting in the aggregate to twenty-five and more percent of the total assets owned by a company;</p> <p>56) decision-making on concluding deals and deals which are of interest to the Company, except for deals, making decisions on which falls within the competence of the Company's Sole Shareholder or the Company's Management Board pursuant to the RK legislation or the Charter (major deal is recognized a deal or set of inter-related deals as result of which the Company purchase or alienate the property (may be purchased and alienated), the cost of which is ten or more percent of the total amount of the Company's assets book value.</p> <p>62) consideration of quarterly reports on risk management with description and analysis of the Company's key risks, as well as information on the implementation of plans and programs for reducing the Company's risks, which are submitted by the Company's risk management department.</p> <p>63) approval of the Company's risk management and internal control systems' performance indicators</p> <p>64) determination of the procedure and terms of receiving information on the Company's performance by the Board of Directors members, including financial one</p>
3	<p>Members of the Board of Directors shall properly perform their job responsibilities and ensure growth of the long-term value and Sustainable Development of a company. A company's Board of Directors is accountable to shareholders. This accountability is implemented through mechanism of annual general meetings of shareholders.</p>	<p>Complied</p>	<p>According to the Regulations on the Board of Directors, the decisions of the Sole Shareholder, taken within its competence, are mandatory for the Board of Directors. The Board of Directors reports annually on its performance by providing the Company's Annual Report for the past year.</p> <p>The annual report of the Board of Directors on the work performed, submitted for approval to the General Meeting of Shareholders, as part of the annual report, includes the following information:</p> <p>1) composition of the Board of Directors, the criteria for selecting independent directors, the Chairman of the Management Board and members of the committees;</p> <p>2) information about each director;</p>

			<p>3) the number of meetings of the Board of Directors and its committees, as well as visits by each director to meetings;</p> <p>4) a report on performance of committees</p> <p>5) consideration of information on the work of the Board of Directors;</p> <p>6) evaluation of the Company's position and prospects for its development;</p> <p>7) the process of holding of the Board of Directors' performance appraisal;</p> <p>8) taken actions which prove that the Board of Director's took into account the Shareholder's views with regard to the Company.</p>
4	The Board of Directors and its committees should have a balance of skills, experience and knowledge to ensure independent, objective and effective decisions in the interests of the Organization and with regard to equitable treatment of all shareholders and principles of the Sustainable Development.	Complied	<p>The Board of Directors is formed in the number of seven members, of which four are independent directors: A. Spitsyn, L. Sutera, A. Stoerzel, Joaquin Galindo Velez. Independent directors are specialists in finance, accounting, auditing, engineering, strategic management, energy including the development of green energy. Also, in 2017 the director was elected: N. Rakhmetov is a representative of the shareholder, who has deep knowledge in the sphere of economy and finance, management.</p> <p>The Chairman of the Board of Directors is A.Aidarbayev, who has an impeccable reputation, who has skills and experience in management, in the industry, which effectively manages the Board of Directors (according to the Board of Directors members based on the results of the Board of Directors' performance evaluations).</p>
5	It is necessary to provide a variety of experience, personal characteristics and <u>gender composition</u> in the composition of the Board of Directors. The Board of Directors shall consist of independent directors, in an amount sufficient to ensure the independence of decision-making and equitable treatment of all shareholders. Recommended number of independent directors on the Board of Directors of the Company is in the amounts up to fifty percent of the total number of Board members.	Partially complied	The Board of Directors lacks gender diversity.
6	<p>The General Meeting of Shareholders shall elect the members of the Board of Directors on the basis of clear and transparent procedures taking into account competencies, skills, achievements, reputation and professional experience of the candidates. When re-electing individual members of the Board of Directors or its whole composition for the new term, their contribution to the effectiveness of the Board of Directors of the Organization is taken into account. Companies, all the voting shares of which are owned by the Fund, have the following features with regard to the process of election of members of the Board of Directors:</p> <p>1) Chairman of the Board of Directors is elected by the decision of the Sole shareholder. If the Fund's representative is elected as Chairman of the BoD, the Board of Directors elects the Senior Independent Director among independent directors;</p>	Complied	<p>In accordance with the Charter, the sole competence of the Sole Shareholder includes determining the size, the term of office of the Board of Directors of the Company, the election of its members and the early termination of their powers.</p> <p>Only an individual can be a member of the Board of Directors.</p> <p>The new Chairman of the Board of Directors was appointed - A. Aidarbayev - Representative of the Shareholder in 2018; Luca Sutera - Senior Independent Director, was elected on July 5, 2016.</p> <p>In accordance with the Regulation on the Board of Directors, members are elected for a term of not more than 3 (three) years, and in the future, subject to satisfactory performance, they are re-elected for another 3 (three) years. Any term of election to the Board of Directors for more than 6 (six) consecutive years (for example, 2 (two) three-year terms) is subject to special consideration, taking into account the need for a quality renewal of the Board of Directors.</p>

	<p>2) The process of search and selection of candidates for the Board of Directors is carried out by the Fund jointly with the Chairman of the Board of Directors and the Chairman of the Nomination and Remuneration Committee of the Board of Directors of the Company. Participation of members of the Government, public officials in the Board of Directors of the Organization is not allowed. The term of office of the Board of Directors members coincides with the term of office of whole Board of Directors and shall expire at the time of the decision by the general meeting of shareholders to elect new Board of Directors. Members of the Board of Directors are elected for the period of up to 3 years thereafter, subject to satisfactory performance may be re-elected for another period of up to 3 years. Any period of election to the Board of Directors for a period of more than 6 years in a row (for example, two 3-year term) shall be subject to special consideration in view of the necessary update the qualitative composition of the Board of Directors. Independent director cannot be elected to the Board of Directors for a period of more than 9 years in a row. In exceptional cases, the election for more than 9 years is allowed, the election of independent director to the Board of Directors shall take place each year with a detailed explanation of the need to elect a member of the Board of Directors and the influence of this factor on the independence of the decision.</p> <p>No one shall be involved into decision making related to his (her) own nomination, election and reelection.</p>		<p>An independent director may not be elected to the Board of Directors for more than 9 (nine) years in a row. In exceptional cases, the election is allowed for a term of more than 9 (nine) years. The term of office of the Board of Directors members coincides with the term of office of the entire Board of Directors. No person is involved in decisions related to their own appointment, election and re-election.</p> <p>“Samruk-Energy” JSC Board of Directors has no representatives of the Government and state bodies.</p>
7	<p>The Board of Directors approves the induction program for newly elected members of the Board of Directors and a professional development program for each member of the Board of Directors. Corporate Secretary shall ensure the implementation of this program.</p>	<p>Partially complied</p>	<p>The Company has an induction program for newly elected members of the Board of Directors. In addition, in order to implement a mechanism for monitoring the implementation of this program, in 2016 it was updated with a view to formalizing this procedure. The Corporate Secretary ensured the completion of the Induction Program by elected new members of the Board of Directors. The program of professional development was approved for certain members of the Board of Directors.</p>
8	<p>Chairman of the Board of Directors is responsible for overall management of the Board of Directors, ensuring the full and effective performance of its activities and in establishing a constructive dialogue with members of the Board of Directors, shareholders and the Executive Body..</p>	<p>Complied</p>	<p>In accordance with the Regulation on the Board of Directors, the Chairman of the Board of Directors is responsible for the overall management of the Board of Directors, ensures full and effective performance of roles and responsibilities by the Board of Directors, constructive dialogue between the members of the Board of Directors, shareholder and the Management Board.</p> <p>Chairman of the Board of Directors: -is responsible for the management of the Board of Directors, ensures its effective performance in all aspects of its range of responsibilities, ensures effective communication with the shareholder;</p>

			<ul style="list-style-type: none"> - is responsible for ensuring an appropriate dialogue with the shareholder; - ensures the effective contribution of the members of the Board of Directors to the work of the Board of Directors, and constructive relations between members of the Board of Directors and the Management Board; -ensures effective interaction with the shareholder, as well as communicating the shareholder's opinions to the Board of Directors as a whole.
9	The role and functions of the Chairman of the Board of Directors and CEO of the Executive Body shall be clearly separated and fixed in the charter of the Organization, Regulations on the Board of Directors and Executive body	Complied	The role and functions of the Chairman of the Board of Directors and the head of the executive body are clearly delineated by the Charter, the Regulations on the Board of Directors and the Regulation on the Management Board of Samruk-Energy JSC.
10	The amount of remuneration of Board of Directors members should be sufficient to attract, retain and motivate each member of the Board of Directors at the level required for the successful management of the Fund and the Organization. The establishment of the remuneration for member of the Board of Directors should be made in accordance with the methodology developed by the Fund. Additionally the expected positive effect to the Organization of participation in the Board of Directors of particular member should be taken into account. In Organizations with several shareholders, the relevant rules of the remuneration of members of the Board of Directors are developed based on the methodology of the Fund and approved by the Annual General Meeting of Shareholders. The Nomination and Remuneration Committee submits its proposals related to size of the remuneration of candidates for independent directors. No one shall be involved into decision making related to his (her) own remuneration.	Complied	<p>The remuneration is paid only to independent directors and consists of the following components:</p> <ul style="list-style-type: none"> - Fixed remuneration - additional remuneration for participation in in-person meetings of committees of the Board of Directors <p>If an independent director attends less than half of all in-person and in-absentia meetings of the Board of Directors during the reporting period (without good reason), the fixed remuneration is not paid.</p> <p>A member of the Board of Directors is also reimbursed for expenses associated with traveling to meetings of the Board of Directors.</p> <p>According to the Regulation on the Appointment and Remuneration Committee of the Board of Directors, the Committee performs a comparative analysis of the level and effectiveness of the remuneration policy of directors, and makes recommendations to the Board of Directors. No person is involved in making decisions related to his/her own remuneration.</p>
11	Committees of the Board of Directors promote deep and careful consideration of matters within the competence of the Board of Directors and increase in the quality of made decisions, in particular in areas such as audit, risk management, proper and effective application of the Rules of procurement of goods, works and services of the Fund and the Organization, appointment and remuneration members of the Board of Directors and the Executive Body, Sustainable development, including security and safety of work and the environment. The existence of committees shall not relieve the Board of Directors from liability for the decisions taken within the jurisdiction of the Board of Directors.	Complied	<p>Specialized committees preliminarily and in-depth consider all items submitted to the Board of Directors. Committees of the Board of Directors are consultative and advisory bodies, all proposals made by Committees are recommendations. The Board of Directors makes a final decision on items submitted, the Board of Directors' members are responsible for the decisions they take.</p> <p>When purchasing goods, works and services, the Company is guided by the Fund's Purchase Rules approved by the Board of Directors of "Samruk-Kazyna" JSC</p>

12	<p>The preparation and holding of meetings of the Board of Directors should promote maximum effectiveness of its activities. In order to perform their duties, members of the Board of Directors shall have access to the complete, relevant and timely information. The Board of Directors meets regularly to perform its functions effectively. Board of Directors meeting held in accordance with the work plan approved before the start of the calendar year. Meetings of the Board of Directors and its committees is carried out by a full-time or part-time (absentia meeting) forms of voting, the number of meetings with voting in absentia should be minimized. Consideration and adoption of decisions on important and strategic character is only at meetings of the Board of Directors with voting. In special cases a combination of both forms the meeting of the Board of Directors and its committees might be possible.</p> <p>Meetings of the Board of Directors and its committees properly minutes by Corporate Secretary by indicating sufficient outcome of the discussions and decisions.</p>	Partially complied	<p>The Board of Directors approves the Work Plan indicating the expected dates of meetings for the coming year. All meetings of the Board of Directors and its Committees are detailed by the Corporate Secretary and the Secretary of the Audit Committee.</p> <p>Materials and information on the upcoming meeting of the Board of Directors are sent in advance (10 days prior to the meeting) by the corporate secretary to the members of the Board of Directors.</p> <p>However, there have been cases of additional issues on the agenda during meetings of the Board of Directors (minutes of the Board of Directors dated January 25, 2018, April 27, 2018, May 25, 2018, June 29, 2018), respectively, the deadline for submission of materials is not met.</p> <p>There are cases when the members of the BD pay attention to the need to improve the quality of the materials to the issues submitted for the consideration of the BD.</p>
13	<p>The Board of Directors, committees and members of the Board of Directors shall be assessed on an annual basis as part of a structured and approved process that is approved by the Board of Directors of the Organization. This process should follow the methodology of the Fund. At the same time at least once in every three years, assessment is carried out by involving an independent professional organization.</p>	Complied	<p>Every year the Board of Directors conducts a self-assessment of performance of the Board of Directors, its Committees, Chairman and members of the Board of Directors, IAS, Corporate Secretary through questionnaires in accordance with the relevant rules developed on the basis of the Fund's methodology. This year, in accordance with the Corporate Governance Code, an external audit organization conducted an independent assessment. The assessment was performed by way of interview, as well as by questionnaire method. The Audit firm proposed recommendations for improving the performance of the Board of Directors, Committees, IAS, Corporate Secretary, which were based on the analysis of responses received.</p>
14	<p>Assessment should identify the contribution of the Board of Directors and each of its members in the growth of long-term value and sustainable development of Organizations, as well as to identify trends and recommend measures for improvement. The assessment results are taken into account in the re-election or termination of office of the members of the Board of Directors.</p>	Complied	<p>Based on the results of the assessment, measures aimed at improvement of the Company management process are taken.</p>
15	<p>For the efficient organization of the Board of Directors' operations and the interaction of the Board of Directors, Executive Body with the shareholders, the Board of Directors appoints the Corporate Secretary. The Board of Directors decides on the appointment of the Corporate Secretary, determines the term of office, functions and procedures of operations, the size of the salary and terms of remuneration, shall decides on the establishment of the service (the secretariat) and Corporate Secretary, determines the budget of this service. The Corporate Secretary is accountable to the Board of Directors of the Fund and independent</p>	Complied	<p>In accordance with the Charter and internal documents, the Board of Directors makes a decision on the appointment of a corporate secretary, sets his/her term of office, job responsibilities, the amount of salary and the terms of remuneration. The corporate secretary is fully accountable to the Board of Directors. The corporate secretary of "Samruk-Energy" JSC was appointed in 2009, supervises the preparation and holding of meetings of the Company's Board of Directors, ensures the preparation of materials/information for BoD meeting, and monitors access to them. For the Corporate Secretary to perform his/her job responsibilities, the Company has established the Corporate Secretary Service.</p>

	<p>from the Executive Body of the Fund. The main duties of the Corporate Secretary include assistance in a timely and quality corporate decision-making by the Board of Directors, the Sole Shareholder, acting as advisor to the Board of Directors on all matters of their activities and the application of the provisions of this Code, as well as monitoring the implementation of this Code and participation in improving corporate governance in Funds and Organizations. The Corporate Secretary also prepares a report on compliance with the principles and provisions of this Code, which should be included in the annual report of the Fund. This report must contain a list of principles and provisions of this Code, which are not observed with giving of corresponding explanations for it.</p>		<p>The main duties of the Corporate Secretary are to assist the Board of Directors, Sole Shareholder in making corporate decisions in a timely and high quality manner Sole Shareholder, as well as to act as an advisor to members of the Board of Directors on all matters relating to their activities.</p> <p>The Regulation on the Corporate Secretary was amended in terms of supplementing the roles and responsibilities of the Corporate Secretary, such as monitoring the implementation of the Corporate Governance Code, involvement in corporate governance improvement, preparation of the report on compliance with the principles and provisions of the Code, which is included in the Annual Report.</p>
16	<p>The collegial Executive Body is established in the Companies, in the rest of the Organization, and in case of creation of the Company - a joint venture Executive Body may be collegial or individual body at the discretion of the sole shareholders (participants). The CEO and members of the Executive Body should have high professional and personal characteristics, and have an impeccable reputation and follow high ethical standards</p>	Complied	<p>The Management Board is a joint executive body of the Company and manages its current activities. In accordance with the decision of the Board of Directors of "Samruk-Energy" JSC, the size of the Company's Management Board is determined in the number of seven members. In fact, the Management Board comprises six people. All of them have highly professional skills and management experience in the field of finance, law, engineering, energy, corporate governance, procurement, have a spotless reputation and considerable experience. The roles and responsibilities of the Management Board members are clearly set out in the Charter, the Regulation on the Management Board, the Order "On distribution of duties and powers".</p>
17	<p>Executive body reports to the Board of Directors and supervises the daily activities of the Organization. It is responsible for implementation of the strategy, development plan and the decisions taken by the Board of Directors and general meeting of shareholders.</p>	Complied	<p>The Management Board manages the day-to-day activities, reports to the Board of Directors, is responsible for the implementation of the strategy, the Development Plan, the investment plan, as well as for the implementation of decisions taken by the Sole Shareholder and the Board of Directors.</p>
18	<p>The Board of Directors elects the head and members of an executive body, sets terms of office, the amount of base salary, terms of remuneration payment. The Appointment and Remuneration Committee of an organization's Board of Directors plays the key role in searching and selecting candidates for the executive body, determining their remuneration.</p> <p>The head of the executive body submits proposals regarding candidates for election to the joint executive body to the Appointment and Remuneration Committee under the Board of Directors. If the Board of Directors rejects the candidate proposed by the head of the executive body for the same vacant position to the executive body for the second time, the right to make a proposal on the candidate for this vacant post passes to the Board of Directors.</p>	Complied	<p>In accordance with the Charter and internal documents, the Board of Directors determines the number of members, the term of office of the Management Board, elects the members of the Management Board, and early terminates their powers (with the exception of the Chairman of the Management Board). The competence of the Sole Shareholder includes the issue of appointment (election) and early termination of the powers of the Chairman of the Company's Management Board. The Board of Directors approves the rules of remuneration and bonuses, salary schemes, and also determines the salaries of the Chairman of the Management Board, members of the Management Board, approves the motivational KPI of the members of the Management Board. When electing members of the Management Board, the Board of Directors follows the provisions of the Company's internal documents defining the qualification requirements for candidates and the procedure for their election. CBA employees may not be elected to the Board. Proposals for candidates for election to the Management Board for consideration by the Board of Directors are made by the Chairman of the</p>

	<p>The Board of Directors may terminate at any time the powers of the head and members of the executive body.</p> <p>It is recommended to elect the head and members of the executive body of an organization for a period of up to three years. The terms of office of the head and members of the executive body coincide with the term of office of the executive body as a whole.</p>		<p>Management Board. The Chairman of the Board is entitled to submit to the Board of Directors proposals for a candidate recommended for election to the same vacant position on the Board no more than two times. The selection and election of members of the Management Board is made on the basis of the most transparent and clear procedures determined by the Board of Directors. The Board of Directors may at any time terminate the powers of members of the executive body (except for the Chairman of the Board).</p> <p>In accordance with the Regulations on the Management Board and the Corporate Governance Code, the Management Board must be elected for a term of 3 years.</p>
19	<p>The Candidature for the CEO of the Company is agreed with the President or the Administration of the President of the Republic of Kazakhstan in the case of inclusion of the Company in the relevant list, approved by the Decree of the President of the Republic of Kazakhstan. In this case, the company applies the procedure for search and election of the executive body, which was approved by the Code.</p>	Complied	<p>President Decree No. 828 dated 29.03.2002, regulates the procedure for approval of a candidate for the post of a Company's CEO.</p> <p>The Regulation on the Management Board and ARC of the Company's Board of Directors determine the competence and skills requirements for candidates for the position of a head of the Executive Body, ways of candidates' search (independently or with involvement of recruitment agency), searching and selecting candidates, holding interviews and creating a short list of candidates.</p> <p>The Law on the Fund establishes - the Fund's Management Board approves the candidacy for the position of the head of the Executive Body and sends a short list of candidates to the Appointment and Remuneration Committee of the Fund's Board of Directors; The Appointment and Remuneration Committee of the Fund's Board of Directors reviews and sends a candidacy with the short list of candidates signed by the Chairman of the Fund's Board of Directors (the Prime Minister of the Republic of Kazakhstan) to the President of the Republic of Kazakhstan.</p>
20	<p>The CEO and members of the Executive Body are assessed by the Board of Directors. The main criterion of assessment is the achievement of KPIs. Motivational KPIs of the CEO and members of the Executive Body are approved by the Board of Directors. The CEO makes suggestions regarding motivational KPIs of the Executive Body to the Board of Directors.</p> <p>The assessment results have an impact on the amount of remuneration, promotion, re-election (appointment) or early termination of powers.</p>	Complied	<p>In accordance with the Charter and internal documents of the Company, the Board of Directors approves the rules for performance evaluation and remuneration and determines the salaries of the Chairman and members of the Management Board, and approves motivational KPI of the Management Board members. The Board of Directors monitors the achievement of KPI in order to determine the amount of remuneration, promotion, re-election (appointment) or early termination of powers of the Management Board members.</p>
21	<p>The head of the executive body must report about cases of violation of the Code of Business Conduct by members of the executive body to the Board of Directors.</p> <p>A member of the executive body who committed a violation of the Code of Business Conduct may not be a member of the executive body of any other organization.</p>	Complied	<p>Cases of violation of the Code of Conduct by "Samruk-Energy" JSC Management Board members were not available in 2018.</p>

22	<p>In the event of a corporate conflict, participants are seeking for ways to resolve them through negotiations in order to ensure effective protection of the interests of Organizations and Stakeholders.</p> <p>The effectiveness of the prevention and settlement of corporate conflicts involves, above all, the maximally complete and speedy identification of such conflicts and precise coordination of all authorities of the Organization.</p> <p>Corporate conflicts with the assistance of the Corporate Secretary of the Board of Directors considered by Chairman of Board of Directors of the Organization. In the cases that involve the Chairman of the Board of Directors in the corporate conflicts, such cases are considered by the Nominating and Remuneration Committee.</p>	Complied	<p>The Company has developed mechanisms for resolving corporate conflicts recorded in the internal document "Policy on the settlement of corporate conflicts at "Samruk-Energy" JSC, which establishes procedures for resolving corporate conflicts between their participants. This document is applied by all structural units of the Company, including SDCs and is included in the documentation of the IMS.</p> <p>The Company's policy for the settlement of Corporate conflicts is based on the fact that the order of their settlement must ensure compliance with and protection of shareholder rights, as well as protection of the property interests and business reputation of the Company. The competence of the Company's management bodies for the examination of corporate conflicts is delineated, depending on whether the issue of a corporate conflict belongs to the competence of a particular body. The Board of Directors reviews corporate conflicts, the subject of which is the action (inaction) of the Management Board, the Chairman of the Management Board, other employees of the Company to whom the relevant powers were delegated or decisions taken by them. The Board of Directors participates in the settlement of Corporate conflicts. If the Chairman of the Management Board cannot regulate the Corporate Conflict, its settlement shall be transferred to the Board of Directors for consideration. According to the results of 2018, there were no corporate conflicts.</p>
Section 6. Risk management, internal control and audit			
1	<p>The efficiently functioning system of risk management and internal control should be established in the Fund and Organizations. The system is aimed at assurance of reasonable trust in achievement of strategic and operating objectives by the Fund and Organizations. The Board of Directors and Executive Body should ensure the introduction of proper culture of risk management in the Fund and Organizations.</p> <p>Risk management and internal control system of the Fund and Organizations is a set of organizational policies, procedures, norms of conduct and actions, methods and mechanisms of management that are established by the Board of Directors/Supervisory Board and Executive board of the Fund and Organizations, to ensure:</p> <ol style="list-style-type: none"> 1) optimal balance between growth of the company's value, profitability and risk inherent to them; 2) efficiency of financial and economic activity and achievement of financial sustainability of the company; 3) soundness of assets and effective use of the resources of the company; 	Complied	<p>The Company has an effectively functioning risk management and internal control system aimed at providing reasonable confidence in achieving strategic and operational goals, and is a set of organizational policies, procedures, standards of conduct and actions, management methods and mechanisms created by the Board of Directors and the Executive Body. The Board of Directors approved regulatory documents governing the process of risk management and internal control. Annually, the Board of Directors approves the Risk Map, Risk Register, Risk-Appetite and Tolerance Levels, Action Plan for minimizing key risks, key risk indicators. It holds quarterly meetings devoted to risk management issues, considers risk migration on the risk map, information on the risks that have been realized, revises risk mitigation plans and approves risk reports. Thus, the set of measures taken for the system of risk management and internal control is aimed at ensuring:</p> <ul style="list-style-type: none"> - the optimal balance between the growth of the value of the organization, profitability and accompanied by their risks; - the efficiency of financial and economic activities and the achievement of financial stability of the company; - safety of assets and effective use of company resources; - completeness, reliability and reliability of financial and management reporting;

	<p>4) completeness, reliability and accuracy of financial and managerial reporting;</p> <p>5) compliance with the requirements of legislation of the Republic of Kazakhstan and internal documents;</p> <p>6) appropriate internal controls to ensure the prevention of fraud and to provide effective support for business processes and performance analysis.</p> <p>The Board of Directors and the Executive Body should ensure the implementation of appropriate risk management culture in the Fund and Organizations.
